Carol Jeffery represented herself in a highly professional manner. We found her to be understanding and supportive with our Financial Wealth plan. Her easy going, warm, caring attitude and many excellent suggestions on many matters has (and will in the future) save us many \$1000's;

Ian and Gabby King

Carol made everything easy for us. She was very helpful & always returned calls. Both Carol and Kay gave helpful hints. The house was only on the market for two weeks. Sherryl & Allan Pyke; Highest Praise and Recommendation for Mrs Jeffery. We had certain requirements and price range for purchasing our new property. She sourced various properties and kept in close contact with us. In relation to the sale of our old home, she was able to present our property in a truly professional manner and enabled a quick sale. We will be referring people to her. WELL DONE CAROL! Greg Lloyd; Excellent client contact and feedback with progress. I would definitely use her again when I have a property to sell which will be number 5 for Carol. Marita and Keith Haggard; Carol has been very professional in her approach and dealings with me. She regularly maintained contact regarding progress with the selling of my investment property and was very considerate of the estate management and tenants in minimising any disruption to their lives during any inspection. I have no hesitation in recommending Carol to any person interested in selling or buying a property. Wayne Miller
